

ALLOWING GROCERY SALES* AT SERVICE STATIONS

JUNE 14, 2007

Join us for a community meeting!

The City is reviewing the current policies precluding the sale of groceries at service stations. The current law only allows sales of groceries from vending machines. The study will review options available to the City, including expanding those sales. * If grocery sales are allowed, alcohol sales are also allowed pursuant to State Law.

We encourage you to attend meetings with City staff to discuss this issue.

Topics include:

- What is the purpose of the study? What generated the study?
- What is the current code, and what is the effect of making a change?
- What service stations will be affected by a change to the law?
- What options are available to address the issue?

**THE MEETING WILL BE ON
THURSDAY, JUNE 14, 2007
6:30 PM**

**Sunnyvale Community Center
Neighborhood Room
Sunnyvale, CA**
